

McDonalds Drive-In.

April 11, 1972

501 W. Sunshine  
862-4241

Health Dept. told me they accumulated  $1\frac{1}{2}$  barrels of grease per week and wanted to dispose of this in Sanitary Sewer.

I called Manager at McDonalds and he said they wanted to put wash down in SAS, that someone collected the grease.

I told him to come down and tell us what they propose to do, and we would discuss it then.

E Balk.
